Portmore Park & District  
Residents Association Committee

Dear all

As you know, I have stepped down from the role of PP&DRA Chair after nearly five years. Members of the committee have put in a wonderful effort over those years and I think we have had some pleasing successes.

I would like to take this opportunity to thank you all for everything you have contributed to the Association during that time, and wish you all continuing success.

You may be aware that I have joined the local Lib Dem Focus team, working with our Councillors Tim Crowther & Graham Winton and other local members of the Liberal Democrats. Plainly that would be a conflict of interest with chairing Portmore Park & District Residents Association, which is explicitly not aligned to any political party.

I am delighted that Michael Freeman has taken up the role of PP&DRA Chair, and look forward to seeing a flourishing future for the Association.

It has been a pleasure to work with such a good group of people in PP&DRA, and I look forward to continuing to participate in the activities of the PP&DRA committee into the future.

Best wishes  
Miles
